Dear Sir or Madam,

On behalf of TALCO Home Improvements and Bowie Siding & Roofing, Inc. I want to thank each one of the volunteers who worked so hard to make Saturday's Christmas in April event a success. It was an absolute pleasure for Tim and I to head up this effort on behalf of our very deserving neighbor. Approximately 100 people were involved in sprucing up and repairing the home of Mrs. Clark on 11th Street. We were able to re-tile her shower and bathroom floor, finish and repair drywall, paint the entire interior and exterior of her home, re-landscape the front, re-roof the home, install new windows, move the furnace and properly install duct work to provide forced air heating throughout the home, install new gutters, install new carpet and padding in the master bedroom, and even re-build her picnic table. This work could not have been done without the generosity and ambition of so many wonderful people. I would like to personally extend my gratitude to those that made this happen: Tim and Patty Lancaster, Mark Margolis at ABC Supply, Sandy at Seamless Gutter Supply, Steve Drumm at Johnson's Lumber in Millersville, Donald Terry at the Bowie Lowes, Bernie Salemie at Capital Climate Services, Atrium Windows, Grace Baptist Church, Grace Gives, Elaine Snow, Don & Terry Giese, Kristi Albert, Ashley Gresham, Mr. Patel at Dunkin Donuts, Mona Electric, Sani-John, Rob Mogul, BG&E, Norman at Carousel Carpets, Gus & Son's Construction, CK Contracting, The Masons of E.
